

FRAGRANCE BOOSTERS

WHY FRAGRANCE BOOSTERS?

Using fragrance boosters in your portable restrooms gives an added punch to odor control, especially in hot weather! It's the simple, economical way to make customers happier with every service.

"One product we like better than all of your competitors is Cabana Spray. It is far better and lasts longer than any other we have tried."

Will Finch
Dallas, TX

SPRAY WORKS SUPER CONCENTRATE

This super concentrated fragrance booster is ideal for those who want to mix their own spray. Also contains a biocide to combat mildew and algae build-up when used as a toilet washdown.

MIX
Dilute 1:4 (concentrate to water) for general use.

SIZES
1, 5, 55 & 275 gal

SPRAY WORKS READY-TO-USE

This ready-to-use fragrance spray will give added punch to your portable restrooms. Also contains a biocide to combat mildew and algae build-up when used as a toilet washdown.

MIX
Ready-to-use

SIZES
1, 5, 55 & 275 gal

OIL WORKS

Oil Works is an oil additive you can use in holding tanks and truck exhaust boxes to mask unwanted odors.

MIX
Use 1/2 - 2 oz (15 - 60ml) per 5 gallons (19L) water

SIZES
1, 6, 55 & 275 gal

AIR WORKS

Air Works deodorizer discs are a pleasant addition to the fragrance used in your waste tank.

USE
One disc per service. Place Air Works discs on the toilet paper roll or use a hook to hang behind the vent pipe.

SIZES
100 Discs/Bag
3 Bags/Case
750/Pail
